

MEMORANDUM

June 13, 1995

BY FACSIMILE

To: Steve Tilley, NARA
From: Joe Freeman, ARRB
Subject: Request for Documents

Listed below are some documents I would like to look at later today, if possible. I will call to confirm receipt of this fax and the availability of the documents. I will probably need to come up to Archives II tomorrow, as well, so if it is inconvenient to pull these documents today, don't hesitate to let me know. Thank you.
