

MEMORANDUM

June 15, 1995

To: Steve Tilley, NARA

From: Joe Freeman, ARRB

Subject: Document Request

If possible, I'd like to look at the following documents later on today. If I can get to these today, it's possible (though this is not a promise!) I may not have to trouble you tomorrow.

Also, Noelle Gray from our Review and Analysis staff will be accompanying me out to College Park today. Like me, she's a new employee of the Board and will need an Archives ID. We'll have the form from Jeremy with us today. If there's any way to set up an ID picture-taking session for Noelle today, that would be great. If not, we'll leave you with the form and she can do it next time she comes out.

Thanks for everything. I'll call to confirm before Noelle and I head out. We hope to be on the noon shuttle.
