Re: Review Board Determination on HSCA Record 180-10072-10186

Dear Mr. Blevins:

In accordance with the President John F. Kennedy Assassination Records Collection Act of 1992, I am writing to inform you that the Assassination Records Review Board made a formal determination concerning the public disclosure of the above record at its meeting of July 10, 1996.

Enclosed is a list of the Board's determinations for this record. These decisions were premised on several factors including the historical interest in the documents and the absence of evidence that the release of the information would cause harm to the United States or to any individual.

Your agency has seven days to appeal this decision to the President. You are invited to send an agency representative to the Review Board to examine our copies of the documents for which determinations have been made and to discuss the determinations with our staff.

Sincerely yours,

David G. Marwell
Executive Director
