

MEMORANDUM

August 7, 1996

To: Steve Tilley, NARA

From: Joe Freeman, ARRB

Subject: Document Request

Per our conversation, I'd like to come out tomorrow morning and look at Boxes 231, 241 and 247 of the HSCA Numbered Files. In addition, I'd like to review the one-box HSCA Record Series entitled "Records Relating to Library of Congress Research Projects." Lastly, I'd like to look at NARA-WC record 179-20003-10195, a RIF for which is attached to this memo.

Many thanks. See you tomorrow.
