MEMORANDUM

August 17, 1995

To: Steve Tilley, NARA
From: Joe Freeman, ARRB
Subject: Document Request

It is my intention to take the 9:00 AM shuttle out to NARA II tomorrow, August 18 (Friday), provided that is amenable to you. I would like to look both at the records I requested be pulled earlier this week (Memorandum of August 15, 1995) as well as the records listed below (I have indicated by asterik the boxes on the following list that were also on the list of August 15). I will call to confirm before catching the shuttle. Many thanks!
