Re: House Select Committee on Assassinations Record (HSCA) 180-10072-10276 and
Underlying DEA File on Gerry Patrick Hemming

Dear Mr. Janet:

The Review Board is scheduled to review the enclosed HSCA record at its meeting of September 27, 1996. Any evidence that DEA wishes to submit in support of requested postponements should be forwarded to the Review Board not later than September 20, 1996.

This HSCA record is a summary of notes taken by a HSCA staffer working on that Committee's investigation of the assassination of President Kennedy during a review of DEA's files on Gerry Patrick Hemming. It follows that the files from which this summary was made are assassination records and must be processed as such by DEA under the JFK Act. (HSCA Record 180-10072-10276 references "main computer printouts," as well as File # GI 75-0285, File # GI 75-0285 and File GF AS-76-800 1.)

Thank you in advance for your cooperation. Should you have any questions about the above HSCA record, please feel free to contact Kevin Tiernan of our staff.

Sincerely,

David G. Marwell
Executive Director
