

MEMORANDUM

BY FACSIMILE

September 19, 1995

To: Steve Tilley, NARA  
From: Joe Freeman, ARRB  
Subject: Document Request

In addition to the other business we need to transact tomorrow, would it be possible for me to look at the following records?

**Agency File Number    Box**

008269 (PT. 13)                      151

<b>Record Series</b>	<b>Agency File Number</b>	<b>Box</b>
FBI Inv. File on JFK	62-109060-NONE	30

Plus! I don't think Joan ever got that stuff she wanted, re: Eisenhower-era Secret Service PRS reports. I know you're coming downtown early tomorrow. If pulling Joan's stuff requires your personal involvement, I presume you won't be able to do it, but I thought I'd ask in case someone else could take care of it.
