“Numbered Commission Document File” (or from the referred WC document boxes, wherever they are located). This request is in relation to a communication to the Review Board from a Mr. Garb Leon, who Martha communicated with by a letter dated April 9, 1996, re: withheld WC documents.

In addition, I'd like Brian to see the whole series of referred WC documents (the 50 or so boxes you pulled for me some months back), so he can get a feel for it. It would be great if the four CIA-referred boxes were pulled this time, as I don't think I ever saw them the first time around.

CIA Segregated Collection, HSCA Staffer Notes

I'd like Brian to see two or three random boxes from this record series. Take your pick!

Finally (I promise!), do you have yet another spare copy of Marion Johnson's WC inventory? I'd like to take mine with me, and Brian could use one if you have one more you can spare. See you tomorrow and many thanks, as always!
