Subject Supplemental Document Request

My apologies, but -- since having talked to you -- a couple of other things have come up and, if possible, I'd like four additional items pulled for tomorrow.

From HSCA Numbered files: Boxes 97, 141 and 225. (These relate to David Ferrie/privacy issues the Board may take up on Monday/Tuesday.)

For Phil: CD (Commission Document) 1085d3. (Which should mention Jesus Martiniz and a DRE meeting in Chicago on 11/27/63). Phil is interested in the publicly available version of this document.

Many thanks. Sorry for the late request.
