Re: HSCA records 012342 and 000678

Dear Ms. Winter:

Pursuant to your request of yesterday, I have enclosed copies of the two House Select Committee on Assassination (HSCA) records which our Board intends to review at its next meeting on December 12.

As explained in my letter of November 20, 1995 to Mr. Berger, we would be happy to have any input you may wish to provide regarding the release of these records.

Should you have any further questions, please contact Mr. Joseph Freeman of my staff.

Sincerely yours,

David G. Marwell
Executive Director
