Dear Megan:

Thank you very much for your October 24 letter and for sending the Cuban material to us. We are very pleased that the JFK Library has been able to release these interesting and important historical records. I personally am looking forward to listening to the tapes. We are also pleased that we were able to assist you in helping make the Cuban documents available to the public.

I apologize for not having the "punch list" to you earlier. After your California meeting, I asked Mary McAuliffe several times to prepare it, but she seems not to have completed it before her departure. As soon as Mary left, I asked our new staff member, Dr. Michelle Combs, to take responsibility for preparing the list and for sending it to you promptly. I trust that you will be hearing from us soon.

Thank you again, and congratulations on your fine accomplishment.

Sincerely,

T. Jeremy Gunn
General Counsel and
Associate Director for Research and Analysis
