Dear Mr. Kangas:

I would like to thank you for your interest in attending and speaking at the Review Board's hearing in Los Angeles. Tom Samoluk, who is the Associate Director for Communications, and I have reviewed your correspondence and suggestions.

With respect to your request on September 4, 1996, that the Board "allow me or Oliver Stone to speak," I am pleased to report that Mr. Stone has been invited to testify. It is our understanding that Mr. Stone would like to testify, but that he may be out of the country. In any case, either he, or his assistant, Mr. Eric Hamburg, will be testifying at the hearing.

Unfortunately, we do not believe that we would also be able to schedule additional time for you to testify. The list of witnesses is now complete. (We will send you a final schedule, as you requested, as soon as it is available.) You should be assured, however, that copies of all of your letters and messages will be given to each Board member. In addition, you may file a written statement within thirty days after the hearing and it will be included as part of the official record of the hearing.

Again, we appreciate your interest in the Board's work.

Sincerely,

T. Jeremy Gunn
General Counsel
