### Marwell's Introduction

We cannot be certain in advance how the dynamics will play out.  
We will play it by ear.  
We want neither too much nor too little structure, and will be working for a balance.  
We no doubt will be spending more time on some topics than others -- and some topics may be dropped altogether. Rather than assigning set times for each topic, we will try to flow from one topic to another. Do not hesitate to suggest the topics you would prefer to emphasize. Agenda item number one will give you your chance.  
[breaks at 11:00; lunch at 12:30 (bit of relaxation) 3:00 go to 5:30. Dinner at 6:30.
