

**Assassination Records Review Board
Notation Voting Form
Reconsideration of CIA Postponements
November 28, 1997**

This notation voting form is being distributed to each Member of the Assassination Records Review Board. The Members of the Board are requested to vote on and sign this form. In accordance with the terms of the Sunshine Act, the Members of the Board must not, while in a group of three or more Members, "deliberate" on the advisability of adopting the proposed Reconsideration of CIA Postponements.

At the November meeting, the Board voted to release information about a particular CIA method. Although the CIA did provide a memorandum on this issue, it declined the Board's offer to send a representative. The CIA now wishes to provide the Board with additional information on this issue.

The ARRB Staff recommends that the Board vote to provide the CIA with the opportunity to provide additional evidence and that the Board's November votes on this issue not be published in the upcoming issue of the *Federal Register*. Voting for reconsideration does not prejudice in any way the Board's final determination on this issue. The Board will have an additional opportunity to vote on this issue either in December or January.
