

**Assassination Records Review Board
Notation Voting Form
Review Board Policy on Social Security Number Redactions
January 30, 1996**

This notation voting form is being distributed to each Member of the Assassination Records Review Board. The Members of the Board are requested to vote on and sign this form. In accordance with the terms of the Sunshine Act, the Members of the Board must not, while in a group of three or more Members, "deliberate" on the advisability of adopting the proposed Review Board Policy on Social Security Number Redactions.

In order to clarify and formalize Review Board policy with respect to redactions of Social Security Numbers, the staff proposes that the Review Board adopt the following policy:

The Review Board will sustain agency postponements of all Social Security Numbers (SSNs) that appear in assassination records. SSNs may be released upon the earlier of the two following events: October, 2017; or once the JFK Collection at NARA receives evidence it deems sufficient to show that the person whose SSN is at issue is deceased.
