RE: Review of Postal Service Documents at Federal Records Center Pursuant to  
JFK Assassination Records Collection Act, 44 U.S.C. § 2107

Dear Mr. Lucas:

This letter is to request that two staff members of the Assassination Records Review Board (ARRB) be granted access to United States Postal Service records at the Federal Records Center at Suitland. We believe that some of these records may be related to the assassination of President Kennedy, and therefore wish to review them to determine to what extent, if any, the JFK Act may apply to them.

The file series numbers for the accessions we wish to review are:

028-65I2271  
028-65J2271  
028-65K2271  
028-68E2568  
028-71B0920  
028-71C0920

The two members of the ARRB staff are Joseph R. Masih, Senior Analyst, and Laura Denk, Senior Analyst/Attorney. Both have clearance at the Top Secret level. I will forward along with this letter the necessary paperwork pertaining to their clearance level.

If you have any questions related to the clearance issues, please call Tracy Shycoff of my office at 202-724-0088.

Sincerely yours,

David G. Marwell  
Executive Director
