

Weekly report for week of Wednesday April 23 to Wednesday April 29th..

1. Fill gaps in army rif project. Sent Eric Scheinkopf to Center of Military History (Monday) and recovered remaining DA and US Air Attache Documents.

Only one CIA document remains to be found. Next step is to have Michelle check Mary McCaullife's papers.

A decision needs to be made regarding a handful of other PTC documents which are Dept of State and are classified "Limited use Only." Should we release them or do we have the Dept of State stamp them open in Full.

A handful of US Airforce Documents need to be taken to the Airforce declassifier to be stamped open. (Will provide figures on this later.)

2. Follow-up call to Ed Arnold at Dept of Army. Called on Monday morning and awaiting response regarding Randy Rakers.

3. Awaiting DIA call to schedule appointment in first or second week of may to meet with Anne Winner and DIA historian.

4. Spoke with Debbie Beatty at FBI regarding IRR documents and will put together a memo listing those documents from the IRR collection for her, so that she can expedite review process.

5. Continue reviewing Califano papers

6. Spoke with Bert hagget Tuesday morning and scheduled appointment to meet with Mr. Hagget for Wednesday at 10:00 am at the Pentagon.

7. Complete the Big Lift Report by finding and attaching supporting documents.
