Ms. Gold:

Thank you so much for calling me today. Attached is our redraft of the CBS draft of the Deed of Gift. As I indicated, it has been changed only to reflect the National Archives' changes to conform to federal law. If there are any questions, Ron Haron of our staff at (202) 724-0088 can be contacted.

Hopefully, we can wrap this matter up before our termination as a federal agency on September 30, 1998. I have designated \$15,000 for costs of copying records and we can attempt to designate precisely on Friday afternoon which records are of highest priority for the JFK Collection at the National Archives, a collection that now numbers more than 4 million pages of material. In my estimation, the CBS records, given the network's outstanding reporting in the 1960's on the assassination, would significantly enhance the collection.

I look forward to hearing back from you. Thanks so much.
