Dear Mr. Mastrovito:

I am writing to thank you for initiating contact with the Assassination Records Review Board (ARRB) yesterday. The ARRB is interested in the history of records pertaining to the assassination of President Kennedy as well as in obtaining records for the JFK Collection at the National Archives. I found your remarks quite informative.

If you have any records related to the assassination or if you are able to provide any additional information about the location of Secret Service records that would contribute to our understanding of the assassination, please feel free to contact me.

I appreciate your willingness to describe your experience at the Secret Service as well as your openness to future contacts from representatives of the ARRB. Either one of my colleagues or I will be in touch with you again.

Sincerely yours,

Joan Zimmerman
Senior Analyst
