COMMENTS:

Steve:

According to John, the Secret Service transferred all the EPS forms listed on this inventory to NARS, which may have then forwarded the material to the JFK or LBJ Library. John does not have 258 forms for this (or these) transfer(s). We are wondering whether NARA has any 258 forms for this material. Also, does NARA have any of this material? Was all of it sent to a presidential library or did NARA keep some of it?

Thank you very much for checking this.
