Subject: HSCA documents from Warren Commission

COMMENTS:

Steve:

I am following up our conversation regarding Warren Commission documents in the HSCA collection. Some of these are not in the HSCA collection in our SCIF, and some need to be declassified. I am wondering if you can indicate what is holding up the release of the following:

1. We do not have copies:

180-10102-10390 180-10086-10048 (Is this a duplicate of 180-10086-10049 [which is open]?) 180-10086-10056

2. These might need to be declassified:

180-10095-10244 180-10095-10355 180-10095-10370

If any of these need to be referred before they can be released, please let me know.

Thanks,

Joan
