COMMENTS:

Steve:

I am following up our telephone conversation regarding the location (at NARA) of this piece of paper. Michelle would like to come out on Friday to look at the original. I am wondering whether it might be in the motion picture branch. I am sending the RIF and a photocopy of the piece of paper. If the fax copy does not turn out, please let me know and I will try to darken it. If it is in the motion picture branch, would you please provide the name and telephone number of the person Michelle should contact?

Thanks for the information about my earlier request. I will make a copy for Steve to look at, and I hope to send it out to you via Michelle on Friday.

Thanks for your help!

Joan
