Re: Abraham Bolden File

Dear Jane:

I am writing to follow up Ann Parker's request of May 16, 1997, that the Review Board return the original eight file folders of material on Abraham Bolden. As you will recall, the Assassination Records Review Board designated the entire Bolden file an "assassination record" at its April 23-24, 1997 meeting and requested your evidence for any postponements the Secret Service wished to take by June 5, 1997.

I have arranged to have these files hand-delivered to your office. Since these records have been designated "assassination records," we ask that you keep the folders together in the same box and that the files remain intact to preserve their integrity.

We appreciate your assistance in this matter.

Sincerely yours,

David G. Marwell
Executive Director
