

## MEMORANDUM

September 17, 1997

To: File

From: Joan Zimmerman

Subject: US Secret Service Issues at the September 17, 1997 Review Board Meeting

Since the Secret Service had not provided any new documents for review, the Board did not consider any Secret Service issues.

I told the Board that the Service had given us a disk that showed that the Service would release in full all protective surveys viewed by the HSCA (Eileen Dinneen) for the March through November, 1963 period. This is the Service's largest release, and it totals almost 2,000 pages of material.
