

MEMORANDUM

January 2, 1996

To: Phil Golrick
cc: David Marwell, Jeremy Gunn

From: Joan Zimmerman

Subject: HSCA #180-10087-10362 Investigation Interview of Tony Zoppi

This document was opened in full by the Board at its December 12-13, 1995 meeting. The copy that had been open at Archives II before the Board's vote contained Tony Zoppi's address in two separate locations. It did not contain Zoppi's Social Security number.

The copy of this document given to us by the USSS contains Zoppi's address in two locations *and* his Social Security number.

Since the Social Security number should be postponed, we will have to amend our notice in the *Federal Register* to indicate that the document is postponed in part rather than open in full.

As follows:

The listing of determinations made by the Assassination Records Review Board at its December 12 and 13, 1995 meeting should be amended as follows:

HSCA Documents	ARRB	Sustained		Next
<u>Record Number</u>	<u>Releases</u>	<u>Postponements</u>	<u>Status of Document</u>	<u>Rel. Date</u>
180-10087-10362 2017	2	1	Postponed in Part
