

# MEMORANDUM

January 27, 1997

To: David Marwell

cc: Jerrie Olson  
Kevin Tiernan  
Jeremy Gunn

From: Joan Zimmerman

Subject: US Secret Service Records and Issues at the January 29-30, 1997 Review Board Meeting

1. The Review Board will be able to consider US Secret Service postponements in the following records:

154-10002-10428

154-10002-10429

154-10002-10430

2. The Review Board can consider whether the "Protect Subject Abstract" included with the Service's January 3, 1997 letter is an "assassination record."

3. The Review Board can examine the Richard Case Nagell file, including the prison medical record portion, for full release (except for SSNs).

4. The Review Board can examine eight USSS personnel files and determine whether any of this material includes "assassination records."
