Re: LBJ Library Records at the March 13-14, 1997 Review Board Meeting

Dear Ms. Houston:

At its March 13-14, 1997 meeting, the Assassination Records Review Board determined that some records from the LBJ Library are "assassination records" under the President John F. Kennedy Assassination Records Collection Act of 1992, 44 U.S.C. § 2107 (Supp. V 1994) (the "JFK Act"). I am writing to provide you with additional information regarding the Review Board's determination.

The following material is an "assassination record:"

Testimony by Chief James J. Rowley, Assistant Director Thomas J. Kelley, and Charles Humpstone, National Commission on the Causes and Prevention of Violence [RG 283] (October 2, 1968), including title page and pp. 771-772, and pp. 841-903, Series 1, Records Regarding the Hearings of the Commission, Box 3 of 28.

Our understanding is that this record is already open at the LBJ Library. We request that you create a research identification form and forward a copy of this testimony under the provisions of the JFK Act for inclusion in the JFK Collection to Mr. Steven Tilley, Chief of the JFK Collection at the National Archives, by April 30, 1997.

Thank you for your assistance. If you have any questions about this process, please call me.

Sincerely yours,

David G. Marwell
Executive Director
