

March 29, 1996

1. Letter to Vezeris re: tapes-SS No. 2 follow up on WHCA (ssno2follow)

Eric is checking tapes at NARA and says they need a day or so to confirm what's there

2. Letter to Vezeris: our 4th request re: USSS Archives, Protective surveys, Federal Records Center

3. Transcripts of newsconference: letter to Machado asking him to RIF them plus RIF the Manchester material: ON HOLD until after Board declares Rowley correspondence "assassination record." All goes in one letter to Vezeris.

4. Eric is checking reports by Roger Warner in USSS Official Case File: interview with Powell

5. Maybe letter to Bouck confirming appointment on April 30 at 10:30 at our office

6. Waiting for response to our request no. 3 re: Nagell and unusual incidents sent Feb. 23, 1996

7. USSS material in LBJ Library box 45: call Tina Houston for a description of this so we can ask SS to release it (512)916-5137 ex. 257. Also followup to Oswald Talked: William Walter denial about teletype

8. Seaport traders in Dodd hearings: no record of Oswald gun purchase in January, 1963. Review these hearings again..

9. Review USSS reports sent to Richard Helms from Official Case File

10. Waiting for reply from David or Jeremy re: Gochenaur /Elmer Moore project

11. Prepare questions for Robert Bouck

12. Request shift reports for El Paso and other JFK-LBJ joint appearances
