Re: Request for Additional Records No. SS-3 from the Assassination Records Review Board (Two Files).

Dear Jane:

This letter constitutes our third formal request for additional information and records under the President John F. Kennedy Assassination Records Collection Act of 1992, 44 U.S.C. sec. 2107 (Supp. V 1994).

We request that you make available to us the following two files:

1. The "PPD [Presidential Protective Division] Shift Reports-Unusual Incidents-1960, 1963-1966" File. The following notation appears on the front of this folder: "PPD-85-0001,1/1SS/62."
2. All Secret Service files on Richard Case Nagell (including, without limitation, CO 2-32030 #878, 950, 1118 and CO-2-34,030). This request includes any material classified as "COS" that is associated with Nagell's file as well as any reports written by Secret Service agents who interviewed Nagell.

To the extent that this request presents logistical or other difficulties that we may not have anticipated, or to the extent that these records may be located in the National Archives at a place other than in the JFK Collection, we will be happy to discuss with you ways in which the request might be amended.

We appreciate your help in this matter.

Sincerely yours,

David G. Marwell  
Executive Director
