

MEMORANDUM

To: Phil Golrick

From: Kevin Tiernan

Subject: DEA Records

I have reviewed the Narcotics and Dangerous Drugs Information System (NADDIS) reports sent to us by DEA in response to our request for records related to the Steve Rivele allegations. DEA sent NADDIS search results for the names of the six Frenchmen alleged to have been involved in the assassination. The following is a list of the files which we should request in our next letter to the DEA. I have highlighted these files in yellow on the slips themselves. It is not clear what the volume of files reviewed were.

Also attached is a draft letter to Kevin Janet.
