Re: HSCA Documents 002466 and 014115

Dear Mr. Janet:

I am enclosing two documents from the House Select Committee on Assassination numbered files which seem to have never been referred to DEA for your review. Please review them for DEA equities, and return the documents either stamped for release, or with any claimed postponements clearly marked. If you have any questions, please call Joan Zimmerman or Kevin Tiernan at (202)724-0088.

Sincerely,

David G. Marwell
Executive Director
