BY FACSIMILE

To: Steve Tilley
From: Kevin Tiernan
Subject: FBI Assassination Investigation Files

As we discussed, I would like to come out tomorrow to look at some FBI files. They are all in the JFK Assassination Investigation files of HQ, Dallas and Baltimore. I used the box numbers on the JFK Collection Register. The numbers are: HQ 62-109060, boxes 1-6; DL 89-43, boxes 117-123; and BL 89-30, boxes 201-202.

As always, thank you.
