Dear Mr. Hosty:

Enclosed you will find the audiotapes of your interview with the Review Board staff along with a copy of your testimony before the Church Committee. The Bureau asked that four minutes and twenty-five seconds of Tape One (18:05 through 22:30) be deleted because it contains a discussion of a matter that is still classified. We are sending you the tapes as they will be publicly available to researchers in the records of the Review Board.

Please call if you have any questions.

Sincerely,

Laura A. Denk
Executive Director
