

DRAFT
DEED OF GIFT
FOR THE HISTORICAL MATERIALS OF
LMH COMPANY

1. In accordance with the provisions of chapter 21 of title 44, United States Code, and subject to the terms, conditions, and restrictions set forth in this instrument, LMH Company (the "Donor") gives, donates, and conveys to the United States of America for deposit in the President John F. Kennedy Assassination Records Collection (the "JFK Collection") at the National Archives and Records Administration (National Archives), the following historical materials (hereinafter referred to as "the Donated Materials"):
 - a. six sets of color reproductions of copies of original prints made from selected views of the camera-original "Zapruder" film, and
 - b. six sets of color reproductions of copies of original prints made from selected views of the LMH Company's first generation copy of the camera-original "Zapruder" film.
2. The Donor warrants that, at the time of the execution of this Deed of Gift, it possessed title to, and all rights and interest in, the Donated Materials free and clear of all liens, claims, charges, or encumbrances.
3. Title to the Donated Materials shall pass to the United States either upon delivery of the Donated Materials, or upon the execution of this Deed of Gift by the Donor and the authorized representative of the JFK Assassination Records Review Board or the National Archives.
4. Once title to the Donated Materials has passed to the United States, the Donor will make the Donated Materials available to the Assassination Records Review Board or the National Archives.
5. The Donor gives, donates, and assigns to the United States all intellectual property interest that it possesses in the *Donated Materials*, except that the Donor retains to itself all copyrights in its writings in all papers and other historical materials donated to the United States of America under the terms of this instrument or which may be included in other collections of papers or historical materials deposited in the national archival system. ***Nothing in this Deed of Gift diminishes any intellectual property interest that LMH has in the camera-original "Zapruder" film or in LMH Company's first generation copy of the camera-original "Zapruder" film.***
6. As long as LMH Company retains the copyright interest in the camera-original "Zapruder" film and in its first generation copy of the camera-original "Zapruder" film, the Archives will

not duplicate or reproduce the Donated Materials.

7. The Donor will lend the camera-original "Zapruder" film and its first generation copy of the camera-original "Zapruder" film to the JFK Assassination Records Review Board for the purpose of allowing the JFK Assassination Records Review Board to work with Eastman-Kodak to make the prints mentioned in paragraph 1. After the JFK Assassination Records Review Board and Eastman-Kodak make the prints mentioned in paragraph 1, the JFK Assassination Records Review Board will return the film to the control of the Donor. The purpose of this Deed of Gift is for the Donated Materials to be included in a report that will be created by Eastman Kodak Company for the JFK Assassination Records Review Board. (LMH Company will give Eastman Kodak a second set of the Donated Materials described in paragraph 1.)
8. The JFK Assassination Records Review Board will instruct the Archivist of the United States (the "Archivist") to add the Donated Materials to the JFK Collection in accordance with the provisions of title 44, United States Code, section 2107. (LMH Company will provide another set of prints to Eastman-Kodak.)
9. Once title to the Donated Materials passes to the United States and the Donated Materials are included in the JFK Collection, the Donor may freely examine them during the working hours of the depository at which they are being maintained.
10. The Donor may, upon request and from time to time, obtain reproductions of any or all of the Donated Materials. The Archivist, or his or her designee, shall determine at the time of each request whether reproductions are to be provided free of charge or, in the alternative, for a fee set in accordance with the provisions of chapter 21 of title 44, United States Code.
11.
 - (a) It is the Donor's wish that the Donated Materials be made available for use by the public as soon after and to the fullest extent possible following their inclusion in the JFK Collection. For this reason, the Donor places no restrictions beyond those referenced in paragraph 6 on the use of the Donated Materials.
 - (b) The Archivist may, subject only to restrictions placed upon him by law or regulation, provide for the preservation, arrangement, repair and rehabilitation, description, exhibition, display, and servicing of the Donated Materials as may be needful or appropriate.
12. The JFK Assassination Records Review Board agrees that once it receives possession of the Donated Materials, it will promptly ship the Donated Materials to the National Archives for

inclusion in the JFK Collection.
