Subject: McMillan Deed of Gift

COMMENTS:

I am sending you the draft deed of gift for Priscilla McMillan's donation to the JFK Collection. As we discussed by telephone and via facsimile, Ms. McMillan has a provision in her will that gives her papers to the Collection at the time of her death.

At your request, we revised a sample deed of gift to try to reflect Ms. McMillan's intent. In the draft deed of gift, we tried to adjust the language so that the deed of gift could stand alone -- so that Ms. McMillan would give her property to the United States Government upon execution of the deed of gift and then the Government would give her back a life estate in the property. We have previously used language provided by your office in our deeds of gift and we would not send this deed of gift with untested language to Ms. McMillan for her signature without a thorough legal review by your office to determine whether this draft deed of gift is appropriate under the circumstances of Ms. McMillan's donation.

Please give me a call when you have had a chance to review this draft.

Thanks for your assistance.
