

MEMORANDUM

January 23, 1996

TO: T. Jeremy Gunn

FROM: Laura Denk

SUBJECT: Myers Deed of Gift

For your review, I have attached the amended Deed of Gift for the Historical Materials of Dale Myers. The fax that we received in November from Kevin Jessar at the National Archives contained sample language that passes the life estate from the Donor to the Donor's spouse and then to the Government. I incorporated the sample language into paragraph 5 of the Deed of Gift, as Mr. Myers requested.
