Leslie:

I am enclosing for your review a draft deed of gift for Schiller's donation to NARA. The deed that we use is a standard form deed that NARA provided to us long ago. We know that Schiller has some type of copyright in the English-translated versions because there is a reference to such copyright at the beginning of *Oswald's Tale*. We have included language that preserves for Schiller whatever copyright he has in the materials if that is what he wants. Since the materials will not be released for 7 ½ years, he may not be concerned about keeping the copyright. To the extent that Schiller requests substantive changes to the terms of the deed, we will need to check with the NARA General Counsel's office -- (301) 713-6025 (Kevin Jessar is familiar with our Act and our deeds) -- to make sure that the changes will not cause the Archivist to refuse to accept the materials.

Once you have reviewed the deed, give me a call and I will send over two signed originals. You can then send those to Schiller for his signature.

Thanks,
Laura
