Re: Freedom of Information Act Request for Records Pertaining to FBI Appeals
of Review Board Determinations

Dear Carol:

As you know, we received a request for records pertaining to Federal Bureau of Investigation (FBI) appeals of Review Board determinations pursuant to the *Freedom of Information Act*, 5 U.S.C. § 552.

We have located documents responsive to the request and, as we previously discussed with you, many of the responsive documents contain FBI equities. Pursuant to the arrangement that we made with you, Phil Golrick has reviewed the records and highlighted the portions of the records that he believed the FBI would withhold if it were applying the standards of the JFK Act. I am enclosing Phil's highlighted copy of these documents. To ensure that the FBI processes these records before the Review Board's expiration date, we agreed that the FBI's JFK Task Force would take over the processing of these documents. Please return the records to me after the FBI completes its processing of the responsive records so that I can respond to the requester.

As always, thank you for your cooperation.

Sincerely,

Laura Denk
