

MEMORANDUM

June 24, 1997

To: Carol Keeley
Acting Unit Chief
JFK Task Force, Federal Bureau of Investigation

From: Laura Denk

Subject: FBI file holdings regarding Alpha-66
(Follow-up to FBI-30)

Manuel Legaspi has completed his review of nine of the twenty-one volumes that the FBI made available to the ARRB staff in response to our request for FBI materials on Alpha-66

The following volumes do not contain assassination records and may be returned to the FBI's central files:

- Section 2 of 105-189975, serials 36-65
Section 4 of 105-189975, serials 87-112
Section 5 of 105-189975, serial 113
- Section 13 of 105-112098, serials 492-597
- Section 4 of 202-3249, serials 156-236
- Section 6 of 109-12-219, serials 446-530
- Section 19 of 199-4765, serials 444-500
- Section 7 of 202-1032, serials 501-570

· Section 1 of 2-2449, serials x-54
