Re: Additional Information and Records Request FBI-49 (Director's Office Files)

Dear Carol:

In response to a previous request, you provided us with an eleven page list of "Director's Office" file numbers. The ARRB staff has reviewed the list and determined that we would like to review the following files for the years 1958-1964 and 1975-1979:

Associate Director's Office Administrative File	66-19138
Attorney General	62-53438
Attorney General's Briefing	62-116481
Criminal Division of DOJ	62-28280
Director's Office Administrative File	66-2855-A
Executive Conference	66-2554
National Security Council	62-85205
Office Memoranda	66-02
Protection of the Attorney General	62-112876
Threats Against the Attorney General	62-112654
White House	62-48771

Please make these files available for our review. If records responsive to this request have already been processed or have been designating for processing under the JFK Act, please identify those records for us and advise at what stage of processing the records are now.

As always, thank you for your continued cooperation.

Sincerely,

T. Jeremy Gunn

Executive Director
