Re: Additional Information Request No. FBI-50 (Harry Dean)

Dear Carol:

The ARRB staff requests access to any and all Headquarters and Los Angeles field office files referencing Harry Dean. This request includes, but is not limited to any 134- or 137- case classification files in the possession of the FBI.

If records responsive to this request have already been processed or have been designating for processing under the JFK Act, please identify those records for us and advise at what stage of processing the records are now.

Thank you for your continuing cooperation.

Sincerely,

T. Jeremy Gunn  
Executive Director
