Re: Additional Information Request No. FBI-51 (ONI Liaison Files)

Dear Carol:

The ARRB staff requests access to any and all Headquarters files for liaison with the Office of Naval Intelligence (ONI) during the time period 1958-1964.

If records responsive to this request have already been processed or have been designating for processing under the JFK Act, please identify those records for us and advise at what stage of processing the records are now.

Thank you for your continuing cooperation.

Sincerely,

T. Jeremy Gunn
Executive Director
