Re: Additional Information Request No. FBI-52 (Dallas Local Authorities)

Dear Carol:

The ARRB staff requests access to any and all Headquarters and Dallas field office files for liaison with the Dallas Police Department and the Sheriff's Office for the years 1960-1965.

If records responsive to this request have already been processed or have been designating for processing under the JFK Act, please identify those records for us and advise at what stage of processing the records are now.

Thank you for your continuing cooperation.

Sincerely,

T. Jeremy Gunn
Executive Director
