

## MEMORANDUM

June 18, 1997

To: Carol Keeley  
Acting Unit Chief  
JFK Task Force

From: Laura Denk

Subject: Schedule of HSCA Subjects to be Negotiated

As we discussed by telephone today, the Review Board staff has compiled a tentative list of subjects to be negotiated each Thursday for the next three months. The subjects on this list are all from the "highest" and "high" priority list that we previously provided to LuAnn Wilkins.

This will confirm our agreement that the FBI will take steps to notify all third agencies of outstanding equities they may have in documents that appear in the following subjects. We are eager to reach the point at which the referrals will be back from third agencies before we review and negotiate a particular subject. In the meantime, we will continue to review these subjects under the "new process" and revisit particular files as third agencies return referred materials.

Thank you, in advance, for your cooperation.
