Re: Assassination Records Review Board Letters to the Internal Revenue Service

Dear Mr. Squires:

I am enclosing two letters that we previously mailed to your office with an incorrect zip code. One letter dated December 16, 1996, was returned to our office today and I am enclosing the original. The second letter has not been returned to our office, so I am sending a photocopy.

We look forward to meeting with you on Thursday.

Sincerely,

Laura Denk
