Re: Metropolitan Crime Commission Records

Dear Mr. DeBrueys:

I would like to thank you for your cooperation during my recent visit to New Orleans. I anticipate that CBD Docusource will soon finish copying the selected Metropolitan Crime Commission (MCC) records that have been in your possession and that they will promptly return the records back to the custody of the Metropolitan Crime Commission.

Once CBD Docusource ships copies of the MCC records your records to our offices in Washington, I will contact you again to arrange to send you copies of the records we receive.

It was nice to see you again and I do appreciate your continued cooperation and hospitality. The MCC records will be an important addition to the JFK Assassination Records Collection at the National Archives. As always, please feel free to give me a call if you have any questions.

Sincerely,

Laura Denk, Esq.
