

I have received and reviewed your September 11, 1995, correspondence regarding Bret Bocook. In your letter, you thanked the Review Board for accepting Mr. Bocook as an extern. However, the Review Board did not offer Mr. Bocook a position. On August 28, 1995, Mr. Bocook came to our offices inquiring about an internship. He returned for a more formal interview on September 7, 1995. On September 11, 1995, Dennis Quinn of our office notified Mr. Bocook that we had decided not to take on interns this fall. I hope that this letter clears up any confusion in your office.

Sincerely,

T. Jeremy Gunn
