RE: Frank Menna, PSI (potential summer intern)

---

Dennis and I interviewed Frank Menna today at 10:00 a.m. He seems to be the ideal candidate for a summer internship at ARRB. Frank chose GW law school because he wanted to pursue his undergraduate work in national security issues. In completing his theses at the University of Chicago, he reviewed government documents. Thus, he is aware of what it means to spend large portions of the summer at College Park poring over CIA and FBI documents. He seemed excited by the work that he might be engaged in if he came to ARRB as an intern. He told us that this was exactly the kind of work he wanted to do in the summer.

Frank can start on Tuesday, May 23, 1995. He is available on a full-time basis.
