Dear Mr. Springmann:

Thank you for your interest in employment with the Assassination Records Review Board. Your letter stated that you are seeking a position with the Review Board following graduation from law school in May. Unfortunately, the Review Board is a temporary agency that will be closing on September 30, 1998, and we do not anticipate that we will hire any additional full-time staff members.

Best of luck in your search for employment in public interest law.

Sincerely,

T. Jeremy Gunn  
Executive Director
