

Notes for All-Agencies Meeting
Wednesday, October 29, 1997

Ford Library--TS and Codeword Material

- logged into scif
- most appear to have already been referred

CIA

- updated requests letter in process

NSA

- meeting on Nov. 5th to review files to ensure everything relevant has been processed
- need to request better search for relevant documents? NSA believes they have completed their search.
- current status of NSA documents:

- 38 unclassified and sent to NARA in 1993
- 12 voted by Board in March 1997 but still held by ARRB
- 84 voted by Board in Aug. 1997 and now at NARA
- 70 consent releases for November 1997 meeting
- 28 documents ready for Board vote at November 1997 meeting
- 8 documents need to be referred to Third Agencies
- 22 at NSA for further examination which should be ready for Board vote at November 1997 meeting
- 4 documents still held by NSA

- 267 number listed in compliance letter
- +3 ARRB questions and answers and 1 interview with NSA employee

270 total

Secret Service

- three major outstanding issues to be determined:
 - Protective Surveys 1961-62
 - Eileen Dinneen threat sheets
 - The Record for 1960-65
- 14 or so outstanding Requests for Additional Information
 - updated requests letter in process
- Status of Records????
- set up meeting with Secret Service soon

Postal Service

--Completed

National Security Council

--42-48 Consent Releases to be noticed in the Federal Register after the November meeting.

--Lisa Salvetti will be bringing 233-239 documents to the December 10-12 declassification session

--We have six previously classified documents which were released in full in the FRUS on Cuba 1961-62. They do not have RIF's. Do we need to do anything with them? Are they consent releases? Kevin suggests not.

PFIAB

--meeting on Nov 6th to review microfiche

--currently only agenda for 22 Nov 63 considered an assassination record.

State

--State believes they are finished. Nina sent two large letters detailing the files that have been sent to NARA. We need to check to make sure the files are open to the public. We need to confirm that State has completed everything needed for its compliance letter and that all files at NARA are open to the public.

Church Committee

--Jim Wolf has agreed to process remaining files by end of November.

--He will provide an index we can examine for additional records.

--Wolf will send us full copies of redacted material already in the JFK collection at NARA.

Warren Commission

HSCA

Notes for All-Agencies Meeting
Wednesday, January 7, 1998

Ford Library--TS and Codeword Material

--most appear to have already been referred, Sidney and I are sorting TS from Codeword

CIA

--December requests letter sent on 18th

--since then, CIA has completed 2 requests, 8-9 others are being treated on a priority basis to be completed this month

--new updated requests letter scheduled for January 29th (week after the Board meeting)

--two NBR memos for this Board meeting, (Monster memo and Office of Personnel)

NSA

--documents now accounted for

--need to write NSA-4, last of requests letters

--NSA-3 sent in late December

National Security Council

--42-48 Consent Releases ready to be noticed in the Federal Register

--Lisa Salvetti has 233-239 documents which are in process

--plan to have all NSA documents ready by February meeting

PFIAB

--meeting on January 12 to complete review of microfiche

--80% finished

--meeting next week with Randy Dietering (Executive Director) to discuss review and processing of documents

--CIA has agreed to priority review these documents (circa 100pp)

--hope to have documents by February/March meeting

State

--State believes they are finished. Nina sent two large letters detailing the files that have been sent to NARA. We need to check to make sure the files are open to the public. We need to confirm that State has completed everything needed for its compliance letter and that all files at NARA are open to the public.

--outstanding request on passport picture of Robert Webster, possibly now being resolved.

Nina called yesterday and thinks we will have file in 2 weeks
